TERMS

CHOICE OF LAW AND DISPUTE RESOLUTION

These terms and conditions and any dispute between the parties arising from any transaction pursuant to such terms and conditions shall be resolved under New York law. Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration in Suffolk County, New York administered by the American Arbitration Association under its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The prevailing party shall be entitled to recover its costs, including reasonable attorneys fees.

Flos U.S.A. Incorporated ("Flos") is the U.S. distributor of Flos brand high end lighting (the "Products"). These Terms and Conditions of Sale ("Terms and Conditions"), together with each Flos issued invoice ("Invoice") shall constitute a binding agreement (the "Agreement") between you (referred to herein as "you" or "Reseller") and Flos. An acceptance of a sales order by Flos is expressly conditioned on your acceptance of these Terms and Conditions and your placement of a sales order with Flos is deemed an express acceptance hereof. No changes to, waiver of, or addition to this Agreement shall be effective unless agreed to in a writing signed by Flos. Reseller acknowledges and agrees that this Agreement supersedes the terms and conditions of any documentation provided by Reseller and any conflicting or additional terms and/or conditions are expressly rejected by Flos and are null and void. In the event there is an inconsistency between these terms and conditions and the Invoice, the terms of the Invoice shall prevail. These Terms and Conditions shall apply to all of Reseller's purchases, unless otherwise modified by Flos. These Terms and Conditions may be modified by Flos, at any time, for any reason. In the event these Terms and Conditions are updated, altered or modified, Flos will provide you with the revised terms and conditions within a reasonable timeframe thereafter.

1. RESELLER

These Terms and Conditions apply to all Resellers of the Products, whether brick-and-mortar or online retailers, regardless of the Reseller's qualification. As a Reseller of the Products, you may be subject to certain territorial and/or sales channel limitations, as may be imposed by Flos, from time to time. Further, Flos reserves the right to reject any sales order placed by any Reseller, for any or no reason, and may immediately discontinue its relationship with any Reseller at any time, at Flos's sole and exclusive discretion.

2. PRICING

All prices shall be subject to Flos's price list then in effect. All prices are exclusive of shipping and handling charges, insurance, all taxes, crating, installation, custom duties and other charges related thereto. Reseller shall be responsible for all such charges. Price lists are subject to change by Flos from time to time at Flos's sole and exclusive discretion; provided, however, that Flos shall use commercially reasonable efforts to provide Reseller with reasonable advance notice of any such changes.

3. ORDER PLACEMENT

Reseller shall place sales orders with Flos for the Products in writing by email, mail or facsimile. All sales orders are subject to Flos's written acceptance by sales order confirmation. As a general policy, Flos does not accept sales orders from Resellers that have a total net purchase price of less than \$500.00. In the event Flos agrees to accept an order that does not meet the per order minimum net purchase requirement, Flos may require Reseller to pay a \$10.00 processing fee in connection with such order.

4. PAYMENT AND DEPOSIT REQUIREMENTS FOR THE PURCHASE OF PRODUCTS

Unless otherwise agreed in writing by Flos, upon Flos's acceptance of an order, Reseller shall pay one hundred percent (100%) of the purchase price of the Products. All payments made by Reseller shall be in U.S. dollars and may be tendered by certified check made payable to Flos U.S.A. Incorporated, by wire transfer or by any major credit card. If Reseller fails to tender any payment due hereunder, Reseller shall pay monthly interest at the highest rate permitted by applicable law, and shall be responsible for all fees and costs, including, but not limited to reasonable attorneys' fees, incurred in connection with the collection of such debt.

5. SHIPPING AND DELIVERY

Unless otherwise agreed to in writing by Flos, all Products shall be shipped F.O.B. Flos's warehouse facility in Huntington Station, New York (the "Flos Warehouse"). Unless otherwise requested by Reseller and agreed to in writing by Flos, Flos will ship all Products by the method of shipping it deems satisfactory based upon convenience, experience and cost. Flos reserves the right to make partial shipments of the Reseller's sales order and furnish separate Invoices for each partial sales order shipped. Reseller understands and agrees that all delivery times provided for in an Invoice represent approximate delivery times and that actual delivery times may vary as a result of events outside Flos's control, including, but not limited to things such as strikes, accidents, natural disasters, unavailability of materials and Products, and other causes beyond the control of Flos. Upon Reseller's request, Flos may, when Flos deems it reasonably practicable, provide expedited shipping for delivery within five (5) business days or less, subject to an additional fee to be paid by Reseller of not less than \$25.00, which fee may change from time to time. For the avoidance of doubt, the minimum freight charge for any shipment shall be \$15.00. Flos shall not be liable for any damages (including, without limitation, any incidental or consequential damages) arising from its failure to deliver or delay in delivering the Products. Unless otherwise agreed to by the parties in writing, Reseller assumes all responsibility for the proper installation and/or delivery of the Products and Flos shall not be responsible in any manner for any damages to the Products or the property relating to such Reseller or third-party installation and/or delivery. Reseller shall be responsible (and shall be invoiced by Flos) for all costs and expenses incurred by Flos as a result of Reseller's failure to accept delivery of the Products on the dates specified by Flos, including, but not limited to demurrage charges and any transportation, insurance or warehousing related costs. In the event that Reseller fails to accept delivery of the Products within thirty (30) days of the original scheduled delivery date, Flos shall have the right to retain all sums paid by the Reseller and may dispose of the Products at Flos's discretion, including via resale, and Reseller shall have no further rights or title therein or thereto.

6. DROP SHIP ORDERS

Resellers may request that Flos deliver Products directly to Reseller's customers or to third-parties in the United States ("Drop Shipments"), and Flos agrees to use commercially reasonable efforts to accommodate such Reseller requests. Each Drop Shipment request shall be subject to a \$10.00 handling fee to be paid by Reseller. In addition to such handling fee, Reseller shall be responsible for all costs associated with Drop Shipments.

7. RISK OF LOSS

Flos retains title to all Products until fully paid for by Reseller. Flos Products are shipped in good and undamaged condition; Reseller agrees to insure the Products and assume the risk of loss or damage once Flos delivers the Products to the carrier or packing company and Reseller will hold Flos harmless for any and all damage to, or loss of, the Products in transit.

8. INSPECTION AND ACCEPTANCE; CLAIMS

Promptly upon the receipt of a shipment of Products, Reseller shall examine the shipment to determine whether the shipment conforms to the applicable Invoice and/or whether any Product(s) included in the shipment are defective or damaged. Except for claims under Flos's limited warranty pursuant to Section 13 below, claims of any quantity discrepancies, damage or other non-conformity must be submitted to Flos in writing within forty-eight (48) hours of Reseller's receipt of the Product (the "Notice Period"). In the event that Reseller fails to notify Flos in writing of any non-conformity, shortages, defects or damage which Reseller claims existed at the time of delivery within the Notice Period, Flos shall be relieved from any liability related to the same, unless otherwise provided in Section 13 below. All claims of defect or damage shall be subject to Flos's inspection of the Products and determination, in its sole discretion, that a defect or damage exists. Reseller's exclusive remedy for any defect in delivery shall be limited, at Flos's option, to Flos's repair or replacement within a reasonable time of any non-conforming, damaged or defective Products. Failure to make a claim in compliance with this Section 8, other than a claim under Flos's limited warranty pursuant to Section 13 below, shall constitute an irrevocable acceptance of the Products by Reseller.

9. RETURNS; MODIFICATIONS; CANCELLATIONS

No Product may be returned or exchanged, nor may any order be canceled, withdrawn or modified, without the prior written consent of Flos, which consent may be conditioned or withheld at Flos's sole and exclusive discretion. As a general policy, Flos does not permit returns or cancellations on custom orders, and Flos will not consider returns after the expiration of thirty (30) days after delivery of the Products. Upon granting authorization for a Product return, Flos shall furnish Reseller with a Return Authorization Number ("RAN"). Reseller shall affix the RAN to each returned package, and Flos reserves the right to reject any returned packages that do not bear a valid RAN. RANs shall expire fifteen (15) days after issuance. In the event the Products cannot be delivered due to a problem with Reseller's facility, including, without limitation, size restrictions of doorways or elevators, Flos is not obligated to accept returns of the Products or refund any portion of the purchase price; however, Flos reserves the right to accommodate Reseller and accept returns, at its discretion, subject to a restocking fee of no more than twenty-five percent (25%) payable by Reseller, as set forth by Flos from time to time. All returned Products must be in their original packaging and must be in new, saleable condition. Resellers shall be responsible for the full wholesale value of Products that are returned to Flos in poor condition, at Flos's discretion. Reseller's return of Products, when permitted, must be freight prepaid at Reseller's sole cost and expense.

10. PRODUCT CHANGES; VARIATIONS

Flos reserves the right to modify or discontinue any Product or Product design, including, but not limited to changes of materials and colors available and/or change the technical specifications of any Products at any time without notice to Reseller, including those Products illustrated in Flos catalogues. Further, due to the materials used in some of the Products, some Products may appear to have slight variations among the same type of Products. For example, without limiting the generality of the foregoing, Products that feature or include glass may have air bubbles, light streaks or uneven coloring that may render them slightly different from other like Products. Reseller understands and acknowledges that some minor design or other changes to Products may be made during the manufacturing process.

11. PRODUCT INFORMATION

Reseller acknowledges and agrees that any information about the Products provided by Flos, including, without limitation, drawings, illustrations, designs, measurements and/or descriptions created by Flos ("Product Information"), including those set forth in Flos catalogues, along with any other rights related thereto shall be and shall remain the sole and exclusive property of Flos. Reseller shall not to use any such Product Information for any reason, including in connection with the purchase or manufacture of products from or by anyone other than Flos, without first receiving the express written consent of Flos. Reseller further acknowledges and agrees that any and all Product Information created by Flos are for informational purposes only and that Reseller shall not rely on the Product Information for, inter alia, the measurements, materials, design or installation of the Products described or illustrated therein. Flos makes no representations or warranties regarding the accuracy or precision of Product Information and disclaims all liability for Reseller's reliance thereon, or reliance thereon by Reseller's agents or employees. Flos shall not be liable for any damages or claims, including consequential damages, arising out of the inaccuracy or incompleteness of any Product Information.

12. RESELLER SPECIFICATIONS

Where any Products are manufactured in accordance with plans, drawings, measurements or specifications furnished by Reseller (collectively referred to herein as "Specifications"), Reseller must provide such Specifications to Flos in writing. Reseller acknowledges and agrees that Flos may rely on, and assume the accuracy of, all Specifications provided by Reseller, including measurements set forth therein, and Reseller further agrees that Flos shall not be responsible for any inaccuracies in the Products arising out of Flos's reliance upon inaccurate measurements provided by Reseller in its Specifications. Reseller shall indemnify, defend and hold Flos harmless from all loss, damage, claims, actions, fines and any other expense, including reasonable attorneys' fees and expenses arising from or relating to such Specifications, including but not limited to claims brought by a third-party with respect to their intellectual property rights.

13. WARRANTIES. PRODUCTS ARE SOLD ONLY WITH THE 1-YEAR LIMITED WARRANTY DESCRIBED IN THIS SECTION. THIRD-PARTY PRODUCTS ARE SUBJECT ONLY TO THOSE WARRANTIES EXTENDED BY SUCH THIRD PARTIES. EXCEPT WHERE PROHIBITED BY LAW OR AS OTHERWISE PROVIDED HEREIN, FLOS HEREBY EXPRESSLY DISCLAIMS ALL WARRANTIES EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. FLOS PERSONNEL ARE NOT AUTHORIZED TO ALTER THESE WARRANTIES

Flos warrants that its Products are free from material defects in materials and workmanship, excluding the specific limitations set forth below for a period of one (1) year from the date of delivery. To make a claim under this limited warranty, Reseller must call Flos's customer service line to arrange for an inspection of the Product by Flos. If Flos, after reasonable inspection, deems a Product defective as a result of a defect in materials or workmanship, Flos, in its sole discretion, shall repair or replace the defective Product at no cost to the Reseller. If identical materials are not available at the time of repair or replacement, Flos may substitute materials of comparable quality. Any alteration by Reseller of the Products purchased shall render this warranty void. This limited warranty extends only to the original purchaser and shall not cover defects or damages resulting from (i) accident, misuse, abuse, neglect, unusual physical stress, alteration (including, but not limited to purchaser-applied finishes), improper operation, maintenance, handling or installation of the Product; (ii) incorrect or inadequate maintenance, cleaning or care; (iii) normal wear and tear of the Product, including, but not limited to, discoloration, natural weathering of finishes or other cosmetic changes; or (iv) loss of functionality of the Product in highly corrosive environments or due to exposure to conditions beyond performance and design specifications. This limited warranty expressly excludes light bulbs, drivers and any other third party products supplied by Flos as a convenience to Resellers.

14. LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT WILL FLOS BE LIABLE FOR ANY LOSS, DAMAGE OR CLAIM FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS, LOSS OF REVENUE, DELAY OR DAMAGES, WHETHER BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY. IN NO EVENT SHALL FLOS'S LIABILITY EXCEED, IN THE AGGREGATE, THE TOTAL PURCHASE PRICE, IF ANY, RECEIVED BY FLOS FOR THE PRODUCTS. THE FOREGOING LIMITATIONS APPLY TO BOTH RESELLER AND RESELLER'S CUSTOMERS.

15. REMEDIES

Reseller's failure to comply with the provisions of this Agreement, including failure to make a payment when due, shall constitute a breach of contract. In the event of such breach, in addition to all other rights and remedies Flos may have at law or in equity, Flos shall be entitled to resell any Products in its possession, without liability to Reseller. In effecting any such resale based upon Reseller's breach of this Agreement, Flos shall be deemed to act in the capacity of agent on Reseller's behalf. Notwithstanding the foregoing, Flos shall retain all sums collected from the resale of Products in its possession and Reseller shall remain liable for any net deficiency on resale and all other amounts owed to Flos, including lost profits, expenses, reasonable attorneys' fees and any other damages permitted by applicable law.

16. INTELLECTUAL PROPERTY RIGHTS

As a Flos Reseller, you have the right to resell Flos Products in Flos packaging bearing the Flos trademark, trade name and/or logo (the "Trademarks"). Other than the rights specifically set forth herein, or otherwise granted to Reseller in a separate written instrument by Flos, any sale of Products to Reseller hereunder shall not convey any express or implied license under any patent, copyright, trademark or other proprietary rights owned or controlled by Flos (or its affiliated companies), whether relating to the Products or any manufacturing process or other matter. All rights under any such patent, copyright, trademark or other proprietary rights are expressly reserved by Flos. Any use of the Trademarks by Reseller, including use in Reseller's online and print advertisements, must be previously approved by Flos in writing. In the event Flos fails to give written consent to any proposed use of its Trademarks within ten (10) business days of receipt of Reseller's written proposal, Flos's failure to consent shall be deemed a refusal to permit such use by Reseller.

17. MINIMUM ADVERTISED PRICE

Flos will provide Reseller with a minimum advertised price ("MAP"), which shall be Flos's suggested resale price of each Product, determined by Flos at its sole and exclusive discretion. Notwithstanding Flos's MAP, Resellers are free to set the resale price of the Products at their sole discretion in accordance with applicable law; provided, however, that Resellers shall not be permitted to advertise the Products at a price lower than the MAP, including in online, in-store and print advertisements. Further, Resellers are not permitted to advertise or sell the Products in a "bundle" or "package" with any other non-Flos products or with any services offered by Reseller unless (i) the prices of the Flos Products are clearly marked separately from the other products or services; and (ii) Flos agrees to such "bundling" or "packaging" in writing. Flos reserves the right to cease doing business with any Reseller that violates this Section 17 or any other provision of these Terms and Conditions.

18. FORCE MAJEURE

Flos shall not be liable for failure to deliver or for delay in delivery or performance due to: (i) a cause beyond its reasonable control; (ii) an act of God, act or omission of Reseller, act of civil or military authority, governmental priority or other allocation or control, fire, strike or other labor difficulty, riot or other civil disturbance, insolvency or other inability to perform by the manufacturer, delay in transportation; or, (iii) any other commercial impracticability. If such a delay occurs, delivery or performance shall be extended for a period equal to the time lost by reason of delay.

19. PRODUCT SAFETY

Reseller shall be solely responsible for compliance with all laws, rules, regulations and industry safety standards applicable to the distribution, sale and use of the Product supplied by Flos. Reseller shall cause all individuals and entities buying or otherwise obtaining the Product from Reseller to comply with such laws, rules, regulations and industry safety standards. Reseller shall indemnify, hold harmless and defend Flos against any claim, loss, damage, expense and cost, including, without limitation, reasonable attorney's fees and court costs, resulting from or otherwise relating to any claimed failure by Reseller to comply or cause any individual or entity to comply with such laws, rules, regulations and industry safety standards.

20. EXPORT CONTROL

Reseller shall comply fully with all administration and export control laws and regulations of the U.S. government as may be applicable to the export, resale or other disposition of any Product purchased from Flos.

21. APPLICABLE LAW AND FORUM

This Agreement shall be governed by the laws of the State of New York without regard to conflicts of law rules. Any disputes hereunder shall be resolved in the courts of the State of New York, County of New York.
