Contemporary influences. Surfaces designed for creating. The material transforms into a white piece of paper where new design experiences can be drawn. A new surface featuring a metropolitan feel provides an essential and delicately nuanced look, which evokes different decor options, allowing everyone to create their own style.

Suggestions contemporaines. Surfaces conçues pour créer. La matière se transforme en feuille blanche sur laquelle écrire de nouvelles expériences conceptuelles. Une nouvelle surface au goût métropolitain propose un graphisme essentiel et légèrement nuancé qui suggère différentes solutions d'agencement tout en concédant à chacun son propre style.

Kontemporäre Eindrücke. Oberflächen, die entworfen werden, um zu kreieren. Die Materie verwandelt sich in ein weißes Blatt, auf dem neue Planungserfahrungen geschrieben werden. Eine neue Oberfläche mit Großstadt-Charakter schlägt eine essentielle und leicht nuancierte Grafik vor, die zu verschiedenen Einrichtungslösungen anregt und jedem seinen eigenen Stil überlässt.

Sugestiones contemporáneas. Superficies pensadas para crear. La materia se transforma en una hoja en blanco donde escribir nuevas experiencias de proyecto. Una nueva superficie de sabor metropolitano propone un diseño gráfico esencial y delicadamente degradado que sugiere distintas soluciones decorativas, concediendo a cada uno su propio estilo.

Современные эмоции. Поверхности, созданные для творчества. Материя преобразуется в чистый лист, на котором можно воплощать новые проектные идеи. Новая поверхность в стиле большого города со строгим и мягко размытым рисунком, который подходит для самых разнообразных вариантов интерьера и позволит каждому создать свой собственный стиль.
